

Active Nottingham Terms and Conditions

These terms apply to the issue and use of your Active Nottingham membership, which provides access to reduced rates and benefits across Leisure Centres operated by Nottingham City Council (NCC).

Your Active Nottingham Membership provides access to the following Leisure Centres

- Clifton Leisure Centre
- Djanogly Community Leisure Centre
- Harvey Hadden Sports Village
- Ken Martin Leisure Centre
- Southglade Leisure Centre
- Victoria Leisure Centre

The Active Nottingham membership can be used on a Pay-As-You-Go basis and where you hold a monthly or annual pre-paid subscription. A free Active Nottingham membership account can be created online or by calling the Customer Service Team on 0115 8761600.

Once created you can collect an Active Nottingham key fob, wristband or card free of charge from any Nottingham City Council Leisure Centre. All customers will be provided with a unique membership number which they will be required to present via card/fob or wristband on each visit to the facility. The card/fob or wristband remains the property of Active Nottingham. In the event you lose your card/fob, a replacement will be made available at a nominal charge. If members repeatedly forget their card/fob or wristbands, Active Nottingham reserves the right to charge for a replacement.

Wristbands are required to access a number of our lockers across the leisure centres. Alternatively, a £1.00 can be used where wristband-operated lockers are unavailable.

A photograph is mandatory for all Active Nottingham account holders and will be taken on your first visit to the leisure centre. Where a concessionary rate is required, this will be applied over the phone or at reception where evidence to support this will be required upon attending the leisure centre reception.

You should present your card, wristband or key fob to record your attendance when attending your pre-booked session either on the turnstiles or as directed by a member of the Leisure Centre team. If the customer fails to present their key fob, wristband or card they will be liable to pay full price for the activity attended. The person to whom the Active Nottingham card, key fob or wristband has been issued is responsible for its use. These are not transferable to others and further action may be taken where inappropriate use is found to have occurred including the suspension of your membership. Only the person allocated the wristband, key fob, or card may use it.

Pricing

Nottingham City Council reviews the fees and charges for access to Sport and Leisure activities on an annual basis and a minimum period of two weeks' notice is provided where changes are applied.

Concessionary rates are also available for residents of Nottingham City Council subject to the terms of the discount scheme being met. An annual check will take place to ensure ongoing eligibility for the concessionary rate. You should also advise us if your circumstances change.

Further details can be found here <http://activenottingham.com/memberships/concessions-discounts/>

A minimum of 3 days advance notice will be provided when changes to membership fees are made.

Late cancellation and non-attendance for pre-booked activities – Be Fair policy

This applies to the following activities: Public Swimming, Group Fitness, and Group Cycling. Where a member fails to show up for a pre-booked session or cancels with less than 60 minutes' notice of the session start time and therefore prevents other members from accessing a session a 'strike' will be applied to your account. If your account has 3 strikes in a 30-day period, your booking privileges will be revoked for 7 days – meaning you will be unavailable to pre-book any activities for that time period, you will still be able to turn up on the day, however, all classes/activities will be subject to space availability.

Waiting lists

We operate a 7-day advance booking window with spaces in sessions available on a first come first served basis. Waiting lists are available in most sessions so that when people cancel a session, those on a waiting list are automatically booked into the class (this is dependent on your position in the waiting list queue). If you no longer need your space on the waiting list, please ensure it is cancelled to avoid triggering the Be Fair/Fair Play policy and the space can be allocated to someone else.

Cashless accounts

A cashless account is an account held that you or we have credited an amount of money to your Active Nottingham account. This credit once purchased or provided can be used to purchase either pre-paid activities and bookings or immediate bookings. Once a credit has been added to your cashless account, either by you or by Active Nottingham, it cannot be refunded under any circumstances.

Credit on the cashless account will be valid for 2 years, after 2 years any credit on the cashless account will be removed and cannot be reinstated or refunded.

Should you have debt on any other account held with Active Nottingham, then any credit balance can be transferred from your cashless account to the debt account without authorisation from you to either clear or partially clear this debt account.

No interest is paid for any account that is in credit with Active Nottingham.

General Booking Conditions:

- Prior to attending an NCC Leisure Centre we actively encourage customers to pre-book and pay for their activity or session.
- Pre-booking can be made via our Active Nottingham Leisure App, online at activenottingham.com/book-an-activity or by telephoning the Customer Service Team on 0115 8761600.
- Full payment for all activities is required at the time of booking. This is referred to as 'Book and Pay'. A valid Active Nottingham card, key fob or wristband should be presented at the time of booking to ensure the correct price is applied to your booking.
- Bookings can be made up to 7 days in advance for book and pay (pay as you go) and those with a current annual or direct debit membership.
- All activity bookings are subject to availability at the time of booking. The service does not guarantee the availability of courts, classes or sessions as these are on a first-come, first-served basis.
- Where bookings are made via the Customer Service Team a series of security questions will be asked to determine appropriate use of the Active Nottingham Membership and ensure data integrity.
- For court hire, customers have the right to cancel, modify or transfer the booking if this is undertaken more than 24 hours in advance. No refunds will be given where cancellation is made within 24 hours of the booked activity. Any request to transfer or refund a booking within the specified 24hr period will not be honoured unless a valid Doctors' certificate is produced, or proof of injury is evident.

- Multiple court bookings are not permitted at the same time using the same Active Nottingham Account.
- Bookings cannot be sub-let.
- Facilities may be withdrawn from time to time for repairs, refurbishment, tournaments, special events or closures beyond our control such as government restrictions. Where possible 2 weeks' notice of any disruption to the regular programme will be advertised. Access to a similar activity can generally be made at another of the listed facilities. Where this results in the cancellation of a paid session, a refund or credit will be provided.
- Opening times of all facilities will be limited over Bank Holiday periods. Generally, a facility will be open except for statutory bank holidays, including Christmas Day, Boxing Day and New Year's Day.
- Some activities are single-sex sessions. Where possible, these activities are programmed so that the activity can be accessed by anyone at an alternative leisure centre.
- Sessions are subject to change without prior notification and may be subject to cancellation should the session be deemed no longer viable.
